## 60th Anniversary Celebration: BEARFEST

Saturday, September 6 was a great day as Bear Lake Camp celebrated 60 years of summer camp. Several hundred people enjoyed meeting former camp friends and spending the day visiting and reminiscing about camp.

The day was filled with food and game booths, pontoon boat rides and hayrides and a cookout. It was enjoyed by kids who had been camp-

ers this past summer and by adults who remembered camp in 1948 and many years in between.

The day concluded with a time of worship and celebrating God's goodness and faithfulness. Several shared memories of camp. It was obvious God has worked in people's lives through the ministry of Bear Lake Camp.

Thank you to all those who helped with and participated in the celebration. Thank you for your faithful support and friendship to the camp.

### Monty's Message:

Bear Lake Camp's purpose is to **challenge individuals toward maturity in Christ**. Our slogan is "That They May Know Him". After 16 years of being Director of BLC, I am convinced more than ever of the importance of our mission in the context of our culture. I am convinced more than ever that we need places set aside to "get away" and connect with and refocus on our Incredible God and His calling on our lives. There is no better environment for a discipleship ministry than a Christian Camp apart from a committed Christian family. Knowing, growing and serving

Christ are what our lives are to be about. We as a staff at BLC are fully committed to giving as many campers as God sends us a quality time away getting to know God, maturing in Him and having tons of fun! As we update & expand our facilities, programs and staff we continue to depend on both prayer and financial support for this ministry. **Bear Lake Camp is God's Camp** and relies on God to work through his people to provide the resources necessary to provide a quality Christian camp experience for as many kids as possible in N.E.

Indiana. We are excited to begin developing our theme for next summer - "Unleashed" taken from Daniel 11:32 - *but the people who know their God will display strength and take action*. God has called us to live out our faith 24/7. Truly knowing God will create within each of us a passion for God which will be evident by how we live!! Please prayerfully consider how God might have you partner with us in helping kids "Know, Grow and Live in Christ".

We believe every kid should have the opportunity to attend a Christian Camp. Realistically there are many kids whose families can't afford the registration fees and the

kids end up missing this great opportunity. Over the past couple of years we have been scholarshiping more kids. We are committed to making it possi-

ble for more kids to attend BLC who otherwise wouldn't attend because of finances. If you would like more information on how your church or you individually can recruit and scholarship kids from your area please contact our director Monty Harlan at: [monty@bearlakecamp.com](mailto:monty@bearlakecamp.com) or (260)799-5988.
